Introduction

The

International Conference on Agricultural Resurgence (ICAR-2025) is a premier global platform dedicated to advancing the frontiers of agricultural science, sustainability, and innovation. This distinguished event will bring together a diverse assembly of researchers, academicians, policy-makers, entrepreneurs, development practitioners, and progressive farmers from across the globe.

In response to the growing complexities posed by climate change and chemical farming, resource degradation, food insecurity, and technological disruptions, ICAR-2025 will explore integrative and interdisciplinary approaches to rejuvenate agriculture through innovation, global collaboration, adaptive strategies, and systemic resilience.

ICAR
2025

REGISTER NOW

Vision

To

foster a globally interconnected and climate-smart agricultural ecosystem that is sustainable, inclusive, resilient, and driven by innovation for the benefit of humanity and the environment.

Mission

To serve as a global forum for scientific exchange and policy dialogue.

To promote the integration of emerging technologies and traditional wisdom.

To accelerate innovations that enhance productivity, sustainability, and livelihoods.

To empower stakeholders at all levels through knowledge dissemination and collaboration.

ASCI
Agriculture Skill Council of India

Why Attend?

- **Professional Recognition:** Demonstrates your participation and engagement in a prestigious conference on farming innovations.
- **Resume Enhancement:** Adds a valuable credential to your resume or CV, highlighting your commitment to continuous learning and professional development.
- **Networking Validation:** Provides a formal acknowledgment of your opportunity to network and collaborate with experts and peers in the field.
- **Educational Credit:** Can be used as proof of attendance for educational credits or professional development requirements in academic or professional settings.
- **Knowledge and Skills Acknowledgment:** Recognizes your acquisition of new knowledge and skills related to AI, drones, soil health, seed quality, and sustainable agriculture practices.
- **Evidence of Expertise:** Serves as evidence of your expertise and interest in innovative agricultural practices, useful for career advancement and academic opportunities.
- **Enhanced Credibility:** This increases your credibility in the fields of agriculture and allied sciences, making you a more attractive candidate for future roles and projects.
- **Networking Credentials:** Confirms your participation in discussions and workshops with industry leaders, which can be beneficial for future collaborations.
- **Motivation for Future Learning:** Encourages continued engagement in similar events and further learning opportunities in the agricultural and allied sector.
- **Personal Satisfaction:** Provides a sense of accomplishment and recognition for your efforts to stay current with industry trends and advancements.

Agriculture Skill Council of India

**ICAR
2025**

Conference Sub-Themes

1. Climate-Resilient and Regenerative Agriculture
2. Digital Agriculture: AI, IoT, Remote Sensing, and Data Science
3. Agri-Startups, Innovation Ecosystems, and Entrepreneurship
4. Sustainable Soil, Water, and Nutrient Management
5. Natural, Organic, and Indigenous Farming Systems
6. Integrated Livestock, Fisheries, and Agri-Allied Enterprises
7. Post-Harvest Technologies, Value Chains, and Agri-Food Systems
8. Trade, Marketing, and Export Promotion in Agriculture
9. Gender Equity, Youth Empowerment, and Rural Development
10. Global Agricultural Policy, IPR, and Institutional Reforms
11. Smart seed systems and climate-resilient cultivars
12. Innovations in crop protection and precision input delivery
13. Biotechnological advancements and gene editing in crops and livestock
14. FPO-driven value chain integration and rural entrepreneurship
15. Agri-logistics, cold chains, and post-harvest loss reduction
16. ICT-based extension models and digital advisory systems
17. Blockchain for agri-traceability and certification systems
18. Soil carbon sequestration and ecosystem services
19. Natural resource conservation and sustainable intensification
20. Institutional innovations and policy advocacy in agriculture

REGISTER NOW

Objectives

To showcase state-of-the-art technologies, research, and practices in agriculture and allied sciences

To deliberate on climate-resilient farming systems, agri-entrepreneurship, and food system transformation

To strengthen synergies between academia, industry, and policy.

To enhance the capacity of youth, women, and farmers through skill-building and global exposure

To recognize excellence in research, innovation, and field-level impact through prestigious awards.

Benefits of Attending

- **Knowledge Exchange:** Gain insights from top researchers and thought leaders in Agriculture sector and allied sciences.
- **Enhanced Collaboration:** Connect with global professionals to form research partnerships, industry alliances, and collaborations.
- **Career Development:** Benefit from exposure to new job opportunities, internships, and academic prospects.
- **Latest Trends & Technologies:** Discover the newest advancements in crop science, technology, and sustainable agricultural practices.
- **Practical Solutions:** Take home actionable solutions to improve your farming practices, business strategies, or policy decisions.

2025

ASCI
Agriculture Skill Council of India

Target Participants

- ✓ Faculty Members, Scientists, and Researchers
- ✓ Undergraduate, Postgraduate, and Doctoral Students
- ✓ Government Officials and Policy Makers
- ✓ Startups, Agritech Firms, and CSR Foundations
- ✓ Representatives from International Agencies and NGOs
- ✓ Extension Professionals, Trainers, and Rural Developers
- ✓ Farmer Producer Organizations and Cooperatives
- ✓ Progressive Farmers and Agri-Innovators

FEE STRUCTURE

SN	CATEGORY	FEE	
1	B.Sc. Agri/Horti/Forestry/BVSc/All UG Students	595/-	CLICK HERE
2	M.Sc. Agri/ MBA/ All PG Students	895/-	CLICK HERE
3	JRF/SRF/PhD/RA/TA	1195/-	CLICK HERE
4	Scientist/Faculty/Working Professionals	1495/-	CLICK HERE
5	Award + Participation Fee	3999/-	CLICK HERE

PARTICIPATION BENEFITS

- Certificate of Participation / Presentation (internationally recognized)
- Publication in ISBN Conference Proceedings (for accepted abstracts)
- Poster/Paper/Oral/Abstract Special Presentation Opportunity
- Eligibility for Awards, Grants, and Recognition
- Networking with Global Experts and Institutional Leaders
- Exposure to Advanced Technologies and Innovation Showcases
- Access to Technical Sessions, Workshops, and Plenary Addresses

Mob: 7983558136, 9557100101
Web: www.harws.com

NOTE

1. Any Fee is Non-Refundable and Non-Transferable.
2. Hard & Soft copy of The Certificate will be Provided to All Participants.

ASCI
Agriculture Skill Council of India

AWARDS & RECOGNATIONS

Eligibility Criteria:

1. Postgraduates (PG) and PhD Holders:

- Must have completed/pursuing their postgraduate or doctoral studies in agriculture or allied sciences from a recognized university or institution.
- Should have demonstrated significant research contributions or innovations in the field of agriculture and allied sciences, with a focus on practical applications that benefit the farming and scientific community.

2. Scientists and Professors

- Must be actively engaged in research, teaching or development activities in agriculture or allied sectors, either in academic institutions, research organizations or industry.
- Should have a proven track record of impactful research, publications or innovations that have contributed to advancements in agricultural practices, technology or policy.

NOTE

- The nominated candidates will be received both digital and physical copies of the participation and award certificate.
- All nominated candidates will be received memento with award and participation certificate via speed post
- The Organizing Committee have full Right to decide the Award nomination and number of Awards.
- Any Fee is Non-Refundable and Non-Transferable.

आनंदीबेन पटेल

राज्यपाल, उत्तर प्रदेश

सत्यमेव जयते

राज भवन

लखनऊ - 226 027

10 सितम्बर, 2025

संदेश

मुझे यह जानकर अत्यंत प्रसन्नता हुई कि हिन्दुस्तान एग्रीकल्चरल रिसर्च एंड वेलफेयर सोसायटी, आगरा गुजरात, नेचुरल फार्मिंग साइंस यूनिवर्सिटी, हलोल एवं एग्रीकल्चर स्किल काउंसिल ऑफ इंडिश (ASCI) के संयुक्त तत्वावधान में 12 से 14 दिसम्बर, 2025 तक 'Natural Farming-Innovation-Collaboration-Adaptation-Resilience' थीम पर 'अंतर्राष्ट्रीय सम्मेलन-एग्रीकल्चरल रिजरर्जेस (ICAR 2025)' का आयोजन किया जा रहा है।

आज जलवायु परिवर्तन, भूमि क्षरण और रासायनिक निर्भरता जैसी चुनौतियों के बीच, प्राकृतिक खेती एक प्रभावी समाधान बनकर उभर रही है। आशा है कि यह सम्मेलन न केवल इन विषयों पर गंभीर चर्चा का मंच बनेगा, बल्कि वैज्ञानिकों, नीति-निर्माताओं और किसानों को जोड़ते हुए एक वैश्विक संवाद को भी प्रोत्साहित करेगा। मुझे विश्वास है कि यह आयोजन प्राकृतिक खेती को व्यापक स्तर पर पहुँचाने, वैज्ञानिक मान्यता बढ़ाने और किसानों की आय सुधारने के लिए नवाचारपूर्ण रणनीतियाँ विकसित करने में सफल होगा।

मैं आयोजन की सफलता हेतु हार्दिक शुभकामनाएँ प्रेषित करती हूँ।

आनंदीबेन
